PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
September 21, 2016**

SOLICITATION OF PROXIES

General Information

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Scholastic Corporation, a Delaware corporation (the “Company”), to be voted at its Annual Meeting of Stockholders (the “Annual Meeting”), which will be held at 557 Broadway, New York, New York at 9:00 a.m., local time, on Wednesday, September 21, 2016, and at any adjournments thereof.

The Company has made available to you over the Internet or delivered paper copies of this proxy statement, a proxy card and the Annual Report to Stockholders (of which the Company’s 2016 Annual Report on Form 10-K is a part) in connection with the Annual Meeting. The Company is using the rules of the Securities and Exchange Commission (“SEC”) that allow companies to furnish their proxy materials over the Internet. As a result, the Company is mailing to many of its stockholders a notice about the Internet availability of the proxy materials instead of a paper copy of the proxy materials. All stockholders receiving the notice will have the ability to access the proxy materials over the Internet, as well as to request a paper copy by mail, free of charge, by following the instructions in the notice. In addition, the notice contains instructions for electing to receive proxy materials over the Internet or by mail in future years.

This proxy statement and the accompanying form of proxy, together with the Company’s Annual Report to Stockholders, which includes the Company’s Annual Report on Form 10-K for the fiscal year ended May 31, 2016 (the “Annual Report”), are being mailed to those stockholders who are not receiving the notice concerning Internet availability on or about August 9, 2016.

Shares represented by each proxy properly submitted, either by mail, the Internet or telephone as indicated on the enclosed form of proxy, will be voted in accordance with the instructions indicated on such proxy unless revoked. A stockholder may revoke a proxy at any time before it is exercised by:

- delivering to the Secretary of the Company a written revocation thereof or a duly executed proxy bearing a later date;
- providing subsequent telephone or Internet voting instructions; or
- voting in person at the Annual Meeting.

Any written notice revoking a proxy should be sent to the attention of Andrew S. Hedden, Corporate Secretary, Scholastic Corporation, 557 Broadway, New York, New York 10012-3999.

If you are a Common Stockholder of record submitting a proxy, and no instructions are specified, your shares will be voted FOR the election of the directors.

If you are a Common Stockholder and you hold your shares beneficially through a broker, bank or other holder of record submitting a proxy, and no instructions are specified, your shares will NOT be voted.

If you are a Class A Stockholder submitting a proxy, and no instructions are specified, your shares will be voted FOR the election of the directors.

By submitting a proxy, you authorize the persons named as proxies to use their discretion in voting upon any other matter brought before the Annual Meeting. The Company does not know of any other business to be considered at the Annual Meeting.

SEC rules permit the Company to deliver only one copy of the proxy statement or the notice of Internet availability of the proxy statement to multiple stockholders of record who share the same address and have the same last name, unless the Company has received contrary instructions from one or more of such stockholders. This delivery method, called "householding," reduces the Company's printing and mailing costs. Stockholders who participate in householding will continue to receive or have Internet access to separate proxy cards.

If you are a stockholder of record and wish to receive a separate copy of the proxy statement, now or in the future, at the same address, or you are currently receiving multiple copies of the proxy statement at the same address and wish to receive a single copy, please write to or call the Corporate Secretary, Scholastic Corporation, 557 Broadway, New York, NY 10012, telephone: (212) 343-6100.

Beneficial owners sharing an address who are currently receiving multiple copies of the proxy materials or notice of Internet availability of the proxy materials and wish to receive a single copy in the future, or who currently receive a single copy and wish to receive separate copies in the future, should contact their bank, broker or other holder of record to request that only a single copy or separate copies, as the case may be, be delivered to all stockholders at the shared address in the future.

The cost of soliciting proxies will be borne by the Company. Solicitation other than by mail may be made personally or by telephone, facsimile or e-mail by regularly employed officers and employees who will not be additionally compensated for such solicitation. The Company may also reimburse brokers, custodians, nominees and other fiduciaries for their reasonable expenses in forwarding proxy materials to principals.

Voting Securities of the Company

Only holders of record of the Company's Class A Stock, \$0.01 par value ("Class A Stock"), and Common Stock, \$0.01 par value ("Common Stock"), at the close of business on July 29, 2016 (the "Record Date") are entitled to vote at the Annual Meeting. As of the Record Date, there were 1,656,200 shares of Class A Stock and 32,749,631 shares of Common Stock outstanding.

The Amended and Restated Certificate of Incorporation of the Company (the "Certificate") provides that, except as otherwise provided by law, the holders of shares of the Class A Stock (the "Class A Stockholders"), voting as a class, have the right to: (i) fix the size of the Board so long as it does not consist of less than three (3) nor more than fifteen (15) directors; (ii) elect all the directors, subject to the right of the holders of shares of Common Stock, voting as a class, to elect such minimum number of the members of the Board as shall equal at least one-fifth of the members of the Board; and (iii) exercise, exclusive of the holders of shares of Common Stock, all other voting rights of stockholders of the Company. The Certificate also provides that, except as otherwise provided by law, the voting rights of the holders of shares of Common Stock are limited to the right, voting as a class, to elect such minimum number of the members of the Board as shall equal at least one-fifth of the members of the Board.

Each share of Class A Stock and Common Stock is entitled to one vote. No holders of either class of stock have cumulative voting rights. At the Annual Meeting, the Class A Stockholders will vote on the election of seven members of the Board and the holders of Common Stock will vote on the election of two members of the Board. If any other matters were to properly come before the Annual Meeting, they would be voted on by the Class A Stockholders.

The vote required for the election of directors is specified in the description of such proposal. In the election of directors, withheld votes and abstentions have no effect on the vote. Under the Company's Bylaws, for the purpose of determining whether a proposal has received the required vote, abstentions will not be considered as votes cast and will have no effect. Because none of the shares of Class A Stock are held by brokers, the effect of broker non-votes is not applicable in the case of the Class A Stock. Because the only proposal before Common Stockholders is the election of two directors, the effect of broker non-votes is not applicable in the case of the Common Stock.

Principal Holders of Class A Stock and Common Stock

The following table sets forth information regarding persons who, to the best of the Company’s knowledge, beneficially owned five percent or more of the Class A Stock or the Common Stock outstanding on the Record Date. Under the applicable rules and regulations of the SEC, a person who directly or indirectly has, or shares, voting power or investment power with respect to a security is considered a beneficial owner of such security. Voting power is the power to vote or direct the voting of shares, and investment power is the power to dispose of or direct the disposition of shares. In computing the number of shares and percentage beneficially owned by any stockholder, shares of Class A Stock or Common Stock subject to options or restricted stock units (“RSUs”) held by that person that are currently exercisable or vested or become exercisable or vested within 60 days of the Record Date are included. Such shares, however, are not deemed outstanding for purposes of computing the percentage owned by any other person.

(1) Each of Richard Robinson, Barbara Robinson Buckland, Mary Sue Robinson Morrill, William W. Robinson, Florence Robinson Ford, Andrew S. Hedden and the Trust under the Will of Maurice R. Robinson (the “Maurice R. Robinson Trust”) have filed Statements on Schedule 13G with the SEC (the “13G Filings”) regarding beneficial ownership of Common Stock. Richard Robinson, Chairman of the Board, President and Chief Executive Officer of the Company, Barbara Robinson Buckland, Mary Sue Robinson Morrill, William W. Robinson and Florence Robinson Ford, all of whom are siblings of Richard Robinson, and Andrew S. Hedden, a director and executive officer of the Company, are trustees of the Maurice R. Robinson Trust, with shared voting and investment power with respect to the shares owned by the Maurice R. Robinson Trust. Under the terms of the Maurice R. Robinson Trust, the vote of a majority of the trustees is required to vote or direct the disposition of the shares held by the Maurice R. Robinson Trust. In addition, Richard Robinson and Mary Sue Robinson Morrill are the co-trustees of the Trust under the Will of Florence L. Robinson (the “Florence L. Robinson Trust”), with shared voting and investment power with respect to the shares owned by the Florence L. Robinson Trust. Any acts by the Florence L. Robinson Trust require the approval of each trustee. Based on their 13G Filings and subsequent information made available to the Company, the aggregate beneficial ownership of the Class A Stock on the Record Date by the following persons was: Richard Robinson—1,390,904 shares (sole voting and investment power), which includes 500,000 shares issuable under options to purchase Class A Stock (“Class A Options”) exercisable by Mr. Robinson within 60 days of the Record Date, and 765,296 shares (shared voting and investment power); Barbara Robinson Buckland—648,620 shares (shared voting and investment power); Mary Sue Robinson Morrill—765,296 shares (shared voting and investment power); William W. Robinson Trust—116,676 shares (sole voting and investment power).

(2) The shares of Class A Stock are convertible at the option of the holder into shares of Common Stock at any time on a share-for-share basis. Based on their 13G Filings and subsequent information made available to the Company, the aggregate beneficial ownership of Common Stock on the Record Date by the following holders was: Richard Robinson—2,796,377 shares (sole voting and investment power), which includes the 500,000 shares under the Class A Options exercisable within 60 days of the Record Date held by Mr. Robinson, and 2,798,388 shares (shared voting and investment power); Barbara Robinson Buckland—150,000 shares (sole voting and investment power) and 2,331,712 shares (shared voting and investment power); Mary Sue Robinson Morrill — 3,103,568 shares (shared voting

and investment power); William W. Robinson—164,049 shares (sole voting and investment power) and 2,341,712 shares (shared voting and investment power); Florence Robinson Ford—131,650 shares (sole voting and investment power) and 2,331,712 shares (shared voting and investment power); Andrew S. Change of Control Arrangement for Certain Class A Stockholders

Pursuant to an agreement dated July 23, 1990 between the Maurice R. Robinson Trust and Richard Robinson, the Maurice R. Robinson Trust has agreed that if it receives an offer from any person to purchase any or all of the shares of Class A Stock owned by the Maurice R. Robinson Trust and it desires to accept such offer, Richard Robinson will have the right of first refusal to purchase all, but not less than all, of the shares of Class A Stock that such person has offered to purchase for the same price and on the same terms and conditions offered by such person. In the event Richard Robinson does not elect to exercise such option, the Maurice R. Robinson Trust shall be free to sell such shares of Class A Stock in accordance with the offer it has received. In addition, if Richard Robinson receives an offer from any person to purchase any or all of his shares of Class A Stock and the result of that sale would be to transfer to any person other than Richard Robinson or his heirs voting power sufficient to enable such other person to elect the majority of the Board, either alone or in concert with any person other than Richard Robinson, his heirs or the Maurice R. Robinson Trust (a “Control Offer”), and Mr. Robinson desires to accept the Control Offer, the Maurice R. Robinson Trust will have the option to sell any or all of its shares of Class A Stock to the person making the Control Offer at the price and on the terms and conditions set forth in the Control Offer. If the Maurice R. Robinson Trust does not exercise its option, Mr. Robinson will be free to accept the Control Offer and to sell his shares of Class A Stock in accordance with the terms of the Control Offer. If the Maurice R. Robinson Trust exercises its option, Mr. Robinson cannot accept the Control Offer unless the person making the Control Offer purchases the shares of Class A Stock that the Maurice R. Robinson Trust has elected to sell.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), requires directors, executive officers and persons who are the beneficial owners of more than 10% of the Common Stock to file reports of their ownership and changes in ownership of the Company’s equity securities with the SEC. The reporting persons are required by SEC regulation to furnish the Company with copies of all Section 16 reports they file. Based on a review of the copies of such forms furnished to the Company and other written representations that no other reports were required during the fiscal year ended May 31, 2016, with the exception of the late filing of the Form 4s to report the taxes withheld on an RSU vesting for Ms. Newman, Ms. O’Connell, Mr. Hedden and Mr. Boyko, the Company believes all of its directors, executive officers and greater than ten percent beneficial owners timely filed all Section 16(a) reports required during such fiscal year. The Form 4s were filed promptly upon discovery of the error.

Share Ownership of Management

On the Record Date, July 29, 2016, each director, director nominee and Named Executive Officer reported under the caption “Executive Compensation” and all directors and executive officers as a group beneficially owned shares of the Class A Stock and Common Stock as set forth in the table below. In computing the number of shares and percentage beneficially owned by any stockholder, shares of Class A or Common Stock subject to options or restricted stock units (“RSUs”) held by that person that are currently exercisable or vested or will become exercisable or vested within 60 days of the Record Date are included. Such shares, however, are not deemed outstanding for purposes of computing the percentage owned by any other person.

Compensation Committee Interlocks and Insider Participation

No member of the Human Resources and Compensation Committee (the “HRCC”) was at any time during fiscal 2016 an officer or employee of the Company or any of the Company’s subsidiaries nor was any such person a former officer of the Company or any of the Company’s subsidiaries. In addition, no HRCC member is an executive officer of another entity at which an executive officer of the Company serves on the board of directors.

Human Resources and Compensation Committee Report

The HRCC has reviewed and discussed with management the Compensation Discussion and Analysis (“CD&A”) section of this Proxy Statement. Based on this review and discussion, the HRCC recommended to the Board (and the Board has approved) that the CD&A be included in this Proxy Statement and in the Company’s Annual Report on Form 10-K for the fiscal year ended May 31, 2016.

COMPENSATION DISCUSSION AND ANALYSIS

The Company’s compensation programs for its executive officers and other senior management are administered by the Human Resources and Compensation Committee (“HRCC”), which is composed solely of independent directors as defined by NASDAQ rules. The Company’s overall objective is to maintain compensation programs that foster the short-term and long-term goals of the Company and its stockholders while attracting, motivating and retaining qualified individuals.

The HRCC generally consults with management regarding employee compensation matters. The Company’s Chief Executive Officer, working with the Company’s Human Resources Department, makes annual compensation recommendations to the HRCC for executive officers (other than himself) and senior management, including the Named Executive Officers. The Company’s compensation programs have been adopted in order to implement the HRCC’s compensation philosophy discussed below, while taking into account the Company’s financial position and financial performance. They have been developed with the assistance of the Human Resources Department, as well as independent executive compensation consultants retained by the HRCC. A description of the composition and procedures of the HRCC is set forth under “Meetings of the Board and its Committees-Human Resources and Compensation Committee” and “Corporate Governance-HRCC Procedures” in “Matters Submitted to Stockholders-Proposal 1: Election of Directors,” below.

The HRCC regularly reviews the Company’s compensation programs and considers appropriate methods to tie the executive compensation program to performance and to further strengthen management’s alignment with stockholders.

Compensation Philosophy and Objectives

| <i>Pay Competitively</i> | <ul style="list-style-type: none"> • The Company’s goal is to provide a competitive compensation framework, taking into account the financial position and performance of the Company, individual contributions, teamwork, divisional or group contributions and the external market in which the Company competes for executive talent. • The Company, through competitive compensation policies, strives to foster the continued development of the Company’s operating segments, which in turn builds stockholder value. • In determining the compensation of its Named Executive Officers, the Company seeks to achieve its compensation objectives through a combination of fixed and variable compensation. • The Company reviews the executive compensation of a broad group of companies in the publishing, media, technology and education industries for comparative purposes. In addition, the companies included in the specific compensation peer group are selected based upon several criteria, including size of company by revenues, relevant industry and other factors. |

Peer Group Analysis

The Company reviews the compensation practices of selected peer companies to use as a general frame of reference, but it does not formally benchmark its compensation against that of such peer companies. The peer companies to which the Company has looked to gauge its competitiveness for these purposes have included but were not limited to the following: Barnes & Noble Inc., Career Education Corporation, Houghton Mifflin Harcourt Company, Meredith Corporation, Pearson plc, Reed Elsevier plc, E. W. Scripps Company, Graham Holdings Co. and John Wiley & Sons, Inc., which companies constituted the peer group for fiscal 2016. At its May 2016 meeting, the HRCC revised the peer group for fiscal 2017 by removing Reed Elsevier plc and adding K-12, Inc. Additionally, in analyzing its executive compensation, from time to time the Company reviews general industry compensation surveys provided by consulting firms, as well as more focused surveys covering a broad base of media companies.

Components of Executive Compensation

The following chart provides a brief overview of each of the elements of compensation. A more detailed description of each compensation element follows this chart.

| Compensation Element | Objective | Key Features |

The MSPP permits senior management to defer receipt of all or a portion of their annual cash bonus payments in order to acquire restricted stock units at a 25% discount. |

Base Salary

Base salaries are reviewed annually in the context of the HRCC’s consideration of the effect of base compensation on recruiting and retaining executive talent. In establishing each executive officer’s base salary, including those of the Named Executive Officers, the HRCC considers several factors, as described under “Base Salary” in the above chart. In considering annual base salary increases, Company financial performance is also taken into consideration.

Consistent with the Company’s policy for all employees, salaries for executive officers and senior management, including the Named Executive Officers, are reviewed annually in either July or September and any increases, based on the compensation objectives discussed above, are generally effective on October 1 of each year. For fiscal 2016, the HRCC’s independent compensation consultant conducted an annual compensation review of market comparisons using both survey data and information from the most recent proxy statements for the peer group indicated above. No market adjustments to base salary for fiscal 2016 were recommended as a result of this review. Accordingly, for fiscal 2016 there were no increases in the base salaries of the Named Executive Officers.

Annual Performance-Based Cash Bonus Awards

The HRCC ties a meaningful portion of each Named Executive Officer’s total potential compensation to Company performance, which, in the case where a Named Executive Officer is responsible for an operating unit of the Company, may also include business unit, segment or group performance, through the use of annual cash bonus awards. In setting financial and operating performance targets, which are established early in the fiscal year, the HRCC considers Company-wide strategic and operating plans and, where applicable, those of the executive’s business unit, segment or group. In each case, whether considering the Company as a whole or an executive’s business unit, segment or group, the HRCC considers the budget for the next

fiscal year and sets specific incentive targets that are directly linked to the Company's financial performance or that of the business unit, segment or group. The continued focus of the annual bonus element of compensation has been to align the interests of senior management, including the Named Executive Officers, with the Company's financial, operating and strategic goals for the relevant fiscal year and primarily to encourage the achievement of the Company's key financial and operating goals for such fiscal year, with the focus on overall Company performance, as well as group performance if targets were exceeded.

Potential bonus awards for senior management and other eligible employees are set and determined under the Company's Management Incentive Plan ("MIP") or in the case of selected executives, including the Named Executive Officers, under the Company's Executive Performance Incentive Plan ("EPIP"), which is designed to be exempt from the application of Section 162(m) of the Internal Revenue Code of 1986 (the "Code"). Upon the recommendation of the Chief Executive Officer, made at the time annual fiscal year targets are established, targets may also be established to reflect certain other Company objectives, such as revenue growth, expense management, strategic development, organizational effectiveness or demonstration of the achievement of certain cross-departmental company or specific individual goals. Under the EPIP, the Company retains the discretion to decrease, but not increase, the total bonus paid thereunder to a Named Executive Officer.

Fiscal 2016 Bonuses

For each of the Named Executive Officers, individual EPIP bonus potentials for fiscal 2016 were dependent upon the achievement of Company or business group targets as indicated in the chart below, with the potential bonus payout for each executive ranging from 0% to 150% of the target bonus amount.

As discussed above, the annual bonus awards are generally designed to reward for Company-wide measurable performance, as well as certain other indicators of performance. With respect to fiscal 2016, the HRCC set the EPIP performance targets for the Named Executive Officers primarily based on Company-wide goals, focusing on the objective of meeting the Company's fiscal 2016 operating plan. A corporate bonus pool was to be funded based upon the achievement of the Corporate Operating Income target, and the EPIP bonuses for all of the Named Executive Officers were to be solely based on achievement of that corporate metric up to the target bonus opportunity. Assuming the Corporate Operating Income target was met for fiscal 2016, the portion of the corporate bonus pool resulting from any performance above target would then be proportionally divided based on Corporate Operating Income and, for certain of the Named Executive Officers, the Group Operating Income relative contribution in accordance with the table below. Corporate Operating Income was defined for this purpose as the Company's net revenues less total operating costs and expenses from continuing operations as reported in the Company's audited financial statements, excluding non-standard items (e.g., one-time items as discussed in earnings releases or calls and press releases, legal or tax settlements, changes to accounting policies or impaired assets). For those Named Executive Officers, as well as other senior management, in the Children's Book Group, the achievement of Group Operating Income was based on the Operating Income of the Children's Book Group.

| Funding Metrics | Corporate Operating Income to the extent it is less than or equal to target | | Corporate Operating Income to the extent it is greater than target | |
|--|---|------------------------|--|------------------------|
| | Corporate Operating Income | Group Operating Income | Corporate Operating Income | Group Operating Income |
| Participants | | | | |
| Named Executive Officers (Children's Book Group) | 100% | 0% | 0% | 100% |
| Named Executive Officers (Staff) | 100% | 0% | 100% | 0% |

Target bonus amounts are stated as a percent of base salary. As part of the annual compensation review referred to in the base salary discussion above, for fiscal 2016 no changes were recommended to the target bonus amounts for the Named Executive Officers.

For fiscal 2016, if the Corporate Operating Income threshold of 90% of its target amount was achieved, the bonus pool would be funded at 50% of the bonus target amount. If the Corporate Operating Income was not achieved at 90% of target, a discretionary pool could, if determined by the HRCC, be funded within the range of 20-25% of the actual funding to be used for retention purposes for the top 10-20% highest performing employees based on recommendations to the HRCC resulting from individual performance analyses by the Human Resources Department. In the event such a discretionary pool was funded and used to pay bonuses to Named Executive Officers, such bonuses would not be covered under the EPIP, but would be considered supplemental bonuses subject to the deduction limits of Section 162(m) of the Code.

For fiscal 2016, the Company achieved Corporate Operating Income of \$93.4 million, which was 67% of the target amount and above the threshold for bonus payout under the EPIP. Based on the foregoing, the HRCC approved bonuses to be paid under the EPIP to the Named Executive Officers as provided in the table below.

| Named Executive Officer | Fiscal 2016 Bonus Amount | Actual Bonus payout as a percentage of base salary | Target Bonus payout as a percentage of base salary |
|-------------------------|--------------------------|--|--|
| Richard Robinson | \$ 812,375 | 83.7% | 125% |
| Maureen O'Connell | \$ 477,375 | 63.6% | 95% |
| Andrew Hedden | \$ 301,500 | 50.2% | 75% |
| Judith Newman | \$ 295,000 | 43.7% | 70% |
| Alan J. Boyko | \$ 257,950 | 46.9% | 70% |

Fiscal 2017 Targets

As discussed above, the annual bonus awards are generally designed to reward for Company-wide measurable performance, as well as certain other indicators of performance. With respect to fiscal 2017, the HRCC has again set the EPIP performance targets for the Named Executive Officers primarily based on Company-wide goals, focusing on the objective of meeting the Company's fiscal 2017 operating plan. A corporate bonus pool will be funded based upon the achievement of the Corporate Operating Income target, and the EPIP bonuses for all of the Named Executive Officers will be solely based on achievement of that corporate metric up to the target bonus opportunity. Assuming the Corporate Operating Income target is met for fiscal 2017, the portion of the corporate bonus pool resulting from any performance above target will then be

proportionally divided based on Corporate Operating Income and the Group Operating Income relative contribution in accordance with the table below. Corporate Operating Income is defined for this purpose as the Company’s net revenues less total operating costs and expenses from continuing operations as reported in the Company’s audited financial statements, excluding non-standard items (e.g., one-time items as discussed in earnings releases or calls and press releases, legal or tax settlements, changes to accounting policies or impaired assets). For those Named Executive Officers, as well as other senior management, in the Groups set forth in the table below, the achievement of Group Operating Income will be based on the Operating Income of the specific Group, as applicable.

| Funding Metrics | Corporate Operating Income Less Than or Equal to Target | | Corporate Operating Income Greater Than Target | |
|---|---|------------------------|--|--|
| | Corporate Operating Income | Group Operating Income | Corporate Operating Income | Group Operating Income Relative Contribution |
| Participants | | | | |
| Named Executive Officers (Children’s Book Group, Education Group and International Group) | 100% | 0% | 0% | 100% |
| Named Executive Officers (Staff) | 100% | 0% | 100% | 0% |

For fiscal 2017, if the Corporate Operating Income threshold of 100% of its target amount is achieved, the bonus pool would be funded at 75% of the bonus of the bonus target amount. If the Corporate Operating Income is not achieved at 100% of target, a discretionary pool could, if determined by the HRCC, be funded within the range of 20-25% of the target funding to be used for retention purposes for the top 10-20% highest performing employees based on recommendations to the HRCC resulting from individual performance analyses by the Human Resources Department. In the event such a discretionary pool was funded and used to pay bonuses to Named Executive Officers, such bonuses would not be covered under the EPIP, but would be considered supplemental bonuses subject to the deduction limits of Section 162(m) of the Code.

Also, for fiscal 2017, in the event that the Corporate Operating Income target is exceeded, the bonus pool may be increased to fund up to a maximum of 150% of the target amount for the bonus pool for the purposes of the EPIP. While individual payouts can be adjusted based on individual performance, in no case can the sum of all individual payouts exceed the total of the available corporate bonus pool.

Special Supplemental Bonuses for Fiscal 2015 and Fiscal 2016

On May 21, 2015, the HRCC approved special equity incentive bonuses for Maureen O’Connell and Andrew S. Hedden, which were made on August 3, 2015 in the form of grants of restricted stock units, having a market value of \$600,000, in the case of Ms. O’Connell, and \$350,000, in the case of Mr. Hedden, such value having been determined in accordance with the terms of the Scholastic Corporation 2011 Stock Incentive Plan (as amended, the “2011 Plan”). The grants, each of which vests in three equal cumulative annual installments commencing on the first anniversary of August 3, 2015 and each anniversary thereafter and otherwise is subject to the terms and conditions provided in the 2011 Plan, were made based on their responsibility for the consummation of the sale of the Educational Technology business and their efforts in

connection therewith. Such grants are included in the “Summary Compensation Table” included herein.

On July 19, 2016, the HRCC also approved a supplemental bonus for Alan Boyko in the amount of \$37,050 to provide internal equity in the context of the Children’s Book Group based on the operating results of such group for fiscal 2016. The supplemental bonus is included in the “Summary Compensation Table” herein.

Long-Term Incentive Compensation

The HRCC determines the awards of long-term compensation through equity incentives (in the form of stock options and restricted stock units) granted to executive officers, including the Named Executive Officers and senior management, as well as other eligible employees.

The current practice of the HRCC is to consider:

- Annual equity grants to key employees, including the Named Executive Officers and other executive officers and members of senior management, at its regularly scheduled meeting in September.
- Equity grants at other times depending upon circumstances such as promotions, new hires or special considerations.

From September 2001 through July 2011, most of the equity awards were made under the Scholastic Corporation 2001 Stock Incentive Plan (the “2001 Plan”), which provided for the grant of non-qualified stock options, incentive stock options, restricted stock and other stock-based awards. Only non-qualified stock options and restricted stock units were granted under the 2001 Plan, which expired in July 2011. The Company currently makes its grants of stock options and restricted stock units under the 2011 Plan, which was approved by the Board in July 2011 and by the Class A stockholders in September 2011.

The HRCC has determined that its current practice should continue to be to generally consider the award of restricted stock units and stock options, including a combination of both in most cases, which determination reflects the desire to maintain a strong long-term equity component in executive compensation and to reduce, through the restricted stock unit component, the number of equity units required to provide such component. Accordingly, the Company currently utilizes grants of stock options, restricted stock units or a combination of both to qualified executives, including the Named Executive Officers.

Options to Purchase Common Stock and Restricted Stock Units

During fiscal 2016, the HRCC granted equity-based awards to the Named Executive Officers and certain other members of senior management and to certain newly-hired employees to fulfill contractual obligations or commitments. These grants were made in the form of stock options, restricted stock units or a combination of both.

Stock options produce value for executives and employees only if the Common Stock price increases over the exercise price, which is set at the fair market value of the Common Stock on the date of grant, calculated as the average of the high and low prices on the date of grant. The Company historically has calculated the exercise price of stock options by this method, which it

believes gives a fair market value and eliminates price fluctuations during the day that the grant is made. Stock options granted by the HRCC normally vest in 25% annual installments beginning on the first anniversary of the grant date and expire after ten years.

Restricted stock units granted under the 2011 Plan convert automatically into shares of Common Stock on a one-to-one basis upon vesting. The 2011 Plan does not permit the deferral of restricted stock units, and the vesting of restricted stock units is generally in four equal annual installments beginning with the first anniversary of the date of grant. Through vesting and forfeiture provisions, both stock options and restricted stock units create incentives for executive officers and senior management to remain with the Company.

The specific fiscal 2016 grants to the Named Executive Officers are set forth below in the “Grants of Plan-Based Awards” table, and information regarding the equity awards held by the Named Executive Officers as of the end of fiscal 2016 is set forth below in the “Outstanding Equity Awards at May 31, 2016” table. The HRCC made its customary annual long-term incentive compensation grants for fiscal 2016 for each of the Named Executive Officers in September 2015, with the two supplemental bonus grants to Ms. O’Connell and Mr. Hedden, as discussed above, being made in August 2015.

Equity Awards for the Chief Executive Officer

Mr. Robinson had previously received a total of 1,499,000 options to purchase shares of Class A Stock pursuant to annual grants during the period 2004 through 2008 under the stockholder-approved Scholastic Corporation 2004 Class A Stock Incentive Plan, of which Mr. Robinson was the only participant (the “Class A Plan”).

Since completion of the program contemplated by the Class A Plan, long-term incentives provided to Mr. Robinson have been considered annually by the HRCC and, other than in 2013 when no grant was made to Mr. Robinson, have been in the form of options to purchase Common Stock. For fiscal 2014 through fiscal 2016, Mr. Robinson was granted options under the 2011 Plan to purchase 198,789 shares of Common Stock, 182,975 shares of Common Stock and 137,477 shares of Common Stock, respectively, in each case at the same time as the long-term incentive grants were also awarded to other executive officers and senior management.

Information regarding the equity awards held by Mr. Robinson as of the end of fiscal 2016 is set forth below in the “Outstanding Equity Awards at May 31, 2016” table.

Other Equity-Based Incentives

The Scholastic Corporation Employee Stock Purchase Plan (as amended, the “ESPP”) and the Scholastic Corporation Management Stock Purchase Plan (as amended, the “MSPP”) were designed to augment the Company’s stock-based incentive programs by providing participating employees with equity opportunities intended to further align their interests with the Company and its stockholders. The purpose of the ESPP is to encourage broad-based employee stock ownership. The ESPP is offered to United States-based employees, including the Named Executive Officers other than Mr. Robinson. The ESPP permits participating employees to purchase, through after-tax payroll deductions, Common Stock at a 15% discount from the closing price of the Common Stock on the last business day of each calendar quarter.

Under the MSPP, which was adopted in 1999 in order to provide an additional incentive for senior management, including the Named Executive Officers, to invest in Common Stock through the use of their cash bonuses paid under the MIP or EPIP, eligible members of senior management may use such annual cash bonus payments on a tax-deferred basis to purchase restricted stock units in the Company at a 25% discount from the lowest closing price as reported on NASDAQ in the fiscal quarter in which the bonus is paid.

With respect to fiscal 2016, senior management participants were permitted to defer receipt of all or a portion of their annual cash bonus payments, which will be used to acquire restricted stock units (“RSUs”) at a 25% discount from the lowest closing price of the underlying Common Stock during the fiscal quarter ending on August 31, 2016. The deferral period chosen by the participants may not be less than the three-year vesting period for the RSUs, with the first three years of deferral running concurrently with the vesting period. Upon expiration of the applicable deferral period, the RSUs are converted into shares of Common Stock on a one-to-one basis. During fiscal 2016, seven members of senior management elected to participate in the MSPP.

The chart below reflects the allocation by each of the Named Executive Officers of his or her bonus to the MSPP for fiscal 2016.

Results of Stockholder Advisory Votes on Compensation of Named Executive Officers

The Company believes this vote reflected the general satisfaction of the Class A Stockholders with the Company’s compensation philosophy for the Named Executive Officers. Accordingly, the HRCC is continuing to apply the same general principles in determining the amounts and types of executive compensation for fiscal 2016 as outlined in the Company’s compensation philosophy and framework described above. In addition, at the 2011 Annual Meeting of Stockholders, the Class A Stockholders approved a determination that the Company hold advisory votes on Named Executive Officer compensation once every three years. As a result, the next advisory vote on Named Executive Officer compensation will take place at the Annual Meeting in respect of the fiscal 2017 compensation for the Company’s Named Executive Officers, including the policies and procedures related thereto.

- (1) During fiscal 2016, Mr. Robinson exercised options to purchase 666,000 shares of Class A Stock, which were then converted to Common Stock, and options to purchase 148,168 shares of Common Stock. In accordance with SEC rules, the Value Realized on Exercise was calculated by subtracting the grant prices of \$36.41, \$19.33, \$20.03 and \$22.81 from the fair market value of the underlying Common Stock on the dates of exercise. For purposes of this table, in accordance with SEC rules, the fair market value of the Common Stock on the dates of exercise was computed as the closing price for the Common Stock as reported on NASDAQ on the dates of exercise, July 28, 2015, July 29, 2015, July 30, 2015, July 31, 2015, August 3, 2015, August 4, 2015, August 5, 2015, August 6, 2015, August 7, 2015, August 10, 2015, August 11, 2015, August 12, 2015, August 13, 2015, August 14, 2015, August 17, 2015, August 18, 2015, August 19, 2015, August 21, 2015, August 24, 2015, August 25, 2015, September 8, 2015, April 13, 2016, April 14, 2016, April 15, 2016, April 18, 2016, April 19, 2016, April 20, 2016, April 21, 2016, April 22, 2016, April 25, 2016 and April 26, 2016, which were \$42.92, \$42.89, \$43.14, \$43.09, \$43.10, \$43.20, \$43.28, \$43.05, \$42.99, \$43.35, \$42.28, \$42.57, \$42.70, \$43.08, \$43.72, \$43.26, \$43.16, \$41.70, \$40.51, \$40.59, \$43.86, \$37.57, \$37.30, \$37.00, \$36.98, \$37.17, \$37.37, \$36.74, \$37.07, \$37.09 and \$37.03, respectively.
- (2) During fiscal 2016, Ms. O’Connell exercised options to purchase 109,000 shares of Common Stock. In accordance with SEC rules, the Value Realized on Exercise was calculated by subtracting the grant price of \$34.84, from the fair market value of the underlying Common Stock on the applicable dates of exercise. For purposes of this table, in accordance with SEC rules, the fair market value of the Common Stock on the dates of exercise was computed as the closing price for the Common Stock as reported on NASDAQ on the dates of exercise, July 31, 2015, August 3, 2015, August 17, 2015, August 18, 2015, September 9, 2015, September 17, 2015, November 20, 2015 and November 25, 2015, which were \$43.09, \$43.10, \$43.72, \$43.26, \$43.45, \$43.37, \$42.96 and \$43.16, respectively.

- (3) During fiscal 2016, Ms. Newman exercised options to purchase 35,800 shares of Common Stock. In accordance with SEC rules, the Value Realized on Exercise was calculated by subtracting the grant prices of \$36.92 from the fair market value of the underlying Common Stock on the applicable dates of exercise. For purposes of this table, in accordance with SEC rules, the fair market value of the Common Stock on the dates of exercise was computed as the closing prices for the Common Stock as reported on NASDAQ on the dates of exercise, August 14, 2015 and August 18, 2015, which were \$43.08 and \$43.26, respectively.
- (4) During fiscal 2016, Mr. Boyko exercised options to purchase 25,000 shares of Common Stock. In accordance with SEC rules, the Value Realized on Exercise was calculated by subtracting the grant price of \$36.92 from the fair market value of the underlying Common Stock on the applicable date of exercise. For purposes of this table, in accordance with SEC rules, the fair market value of the Common Stock on the date of exercise was computed as the closing price for the Common Stock as reported on NASDAQ on the date of exercise, August 10, 2015, which was \$43.35.
- (5) In accordance with SEC rules, the Value Realized on Vesting was computed based on the closing price of the Common Stock as reported on NASDAQ on the vesting dates. Ms. O'Connell had 1,740 RSUs and each of Ms. Newman, Mr. Hedden and Mr. Boyko had 870 RSUs vest on September 18, 2015, and the closing price on that date was \$43.09. Ms. Newman had 2,350 RSUs vest on September 21, 2015, and the closing price on that date was \$43.25. Ms. O'Connell had 1,550 RSUs and each of Ms. Newman, Mr. Hedden and Mr. Boyko had 775 RSUs vest on September 24, 2015, and the closing price that date was \$42.79. Ms. O'Connell had 3,460 RSUs and each of Ms. Newman, Mr. Hedden and Mr. Boyko had 1,863 RSUs vest on October 8, 2015, and the closing price on that date was \$39.00.

Pension Plan

Prior to June 1, 2009, the Company maintained the Scholastic Corporation Cash Balance Retirement Plan for substantially all of its employees based in the United States, including the Named Executive Officers (the "Retirement Plan"). Effective as of June 1, 2009, the Retirement Plan closed to new participants and accrual of future benefits under the Plan stopped. Accordingly, a participant's benefit does not consider pay earned and service credited after June 1, 2009. Interest on the account balances is accrued monthly based on the average rate for one-year United States Treasury Bills plus 1.0%. Participants in the Retirement Plan became fully vested in their accrued benefits upon completion of three years of service. Vested retirement benefits are payable in the form of a lump-sum or annuity payment upon retirement, termination, death or disability. At its July 2016 meeting, the Board, upon the recommendation of the Retirement Plan Committee, approved the termination of the Retirement Plan, effective September 30, 2016. Upon completion of the termination process, which is expected to occur in 2018, all participants in the Retirement Plan will receive, in accordance with the terms of the Retirement Plan, his or her full balance in an annuity or in a lump sum, with the option to automatically "roll-over" his or her lump sum into the Company's 401(k) Plan.

The Retirement Plan had been amended and restated to a cash balance plan effective June 1, 1999. All plan participants as of July 1, 1998 who were at least age 50 as of June 1, 1999 were given the option to remain under a modified version of the Retirement Plan's benefit formula used prior to such amendment and restatement (the "Prior Benefit Formula"). Effective June 1, 2009, accrual of future benefits under the Prior Benefit Formula also stopped. Accordingly, a participant's benefit does not consider pay earned and service credited after June 1, 2009. Mr. Robinson elected to continue participation under the Prior Benefit Formula, which, prior to June 1, 2009, provided covered participants with retirement benefits based upon career average compensation. Individual participant contributions are not required and the Company makes all required contributions. The Prior Benefit Formula provides for an annual benefit payable at retirement equal to, for each year of credited service, 1.5% of that portion of the participant's

basic annual compensation up to \$13,650, plus 2.0% of that portion of the participant’s basic annual compensation in excess of \$13,650. At July 1, 2016, Mr. Robinson had earned an estimated annual benefit payment using the Prior Benefit Formula of \$74,474, which is net of the benefit transferred to his former spouse pursuant to a matrimonial agreement. In 2007, Mr. Robinson reached age 70.5, and, as required by law, on April 1, 2008 he began receiving the benefit he accrued through January 1, 2008 under the Retirement Plan.

The following table sets forth the years of credited service, the present value of benefits accumulated and any payments received during the last fiscal year by each of the Named Executive Officers under the Retirement Plan, in each case computed as of May 31, 2016, the same measurement date as used in the Consolidated Financial Statements included in the Annual Report.

PENSION BENEFITS

| Name | Plan Name | Number of Years of Credited Service (#) ⁽¹⁾ | Present Value of Accumulated Benefit (\$) ⁽²⁾ | Payments During Last Fiscal Year (\$) |
|-------------------|---|--|--|---------------------------------------|

- ⁽¹⁾ The valuation method and material assumptions used in determining pension benefits and obligations can be found in Note 1 of Notes to Consolidated Financial Statements included in Item 8, “Consolidated Financial Statements and Supplementary Data,” in the Annual Report.
- ⁽²⁾ Pay earned and service credited after June 1, 2009 will not be considered in determining the Named Executive Officer’s benefit as the Retirement Plan was frozen as of that date.
- ⁽³⁾ Mr. Robinson’s benefits include \$58,650 accumulated under the Prior Benefit Formula and \$15,824 paid from an annuity issued by Liberty Mutual Insurance Company for participant benefits accrued under a prior retirement plan which terminated in May 1985.

The following table sets forth information about the contributions, if any, by the Named Executive Officers under nonqualified deferred compensation arrangements, which relate solely to the MSPP, during fiscal 2016 and the balances thereunder at May 31, 2016.

NONQUALIFIED DEFERRED COMPENSATION TABLE

| Name | Executive Contributions in the Last Fiscal Year (\$) ⁽¹⁾ | Aggregate Balance at Last Fiscal Year End (\$) ⁽²⁾ |
|-------------------|---|---|
| Richard Robinson | \$ 1,212,496 | \$ 3,229,474 |
| Maureen O'Connell | \$ 142,482 | \$ 379,488 |
| Andrew S. Hedden | \$ 112,497 | \$ 299,631 |
| Judith Newman | \$ 118,026 | \$ 492,616 |
| Alan J. Boyko | \$ 96,244 | \$ 256,324 |

⁽¹⁾ Amounts reported are included under the Non-Equity Compensation in the Summary Compensation Table for the year ended May 31, 2015.

⁽²⁾ Represents the value of all RSUs held by the Named Executive Officer under the MSPP at May 31, 2016 and was calculated by multiplying the number of RSUs held by \$39.05, the closing price of the Common Stock on NASDAQ on such date. Amounts include executive contributions to the MSPP, which were included under Non-Equity Incentive Plan Compensation in the Summary Compensation Table for the fiscal year prior to the contribution.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

The following discussion and tables describe and quantify the potential payments and benefits that would be provided to each of the Named Executive Officers in connection with a termination of employment or change-in-control under the Company's compensation plans. Except where noted, the calculations of the potential payments to the Named Executive Officers reflect the assumption that the termination or change-in-control event occurred on May 31, 2016 using, for equity awards, the closing price per share of the Common Stock on May 31, 2016 of \$39.05. The calculations exclude payments and benefits to the extent that they do not discriminate in scope, terms or operation in favor of the Company's executive officers and are available generally to all salaried employees of the Company. The calculations also do not include plan balances under the Retirement Plan applicable to the Named Executive Officers, which are provided in the Pension Benefits table above. Of the Named Executive Officers, as of May 31, 2016, Mr. Robinson, Ms. Newman and Mr. Boyko were of retirement age for all of their option and restricted stock unit grants received under any of the Company's equity-based plans, including the MSPP. Ms. O'Connell is not eligible for retirement under any of the Company's equity plans. Mr. Hedden only meets the retirement eligibility criteria for his stock option grants under the 2011 Plan that were granted prior to July 21, 2009, and does not meet the definition of retirement for any other of his equity grants. The Company generally does not enter into employment contracts with its executives and does not have a general severance policy applicable to all employees. Accordingly, except in the case of Ms. O'Connell, whose severance agreement is described below, the Named Executive Officers are entitled to benefits upon termination of their employment or a change-in-control only as provided for in respect of stock options and restricted stock units previously granted under the 2001 Plan and the 2011 Plan (or, in the case of a portion of Mr. Robinson's grants, under the Class A Plan) and previously purchased RSUs under the MSPP.

409A Limitations. In compliance with Code Section 409A, an executive who is a “specified employee” (one of the 50 most highly compensated employees of the Company) at the time of termination of employment may not receive a payment of any compensation that is determined to be subject to Code Section 409A until six months after his or her departure from the Company (including, but not limited to, certain benefit payments on voluntary or involuntary termination and 409A deferred compensation plan benefits).

Change-in-control. None of the MSPP, the 2001 Plan, the 2011 Plan or the Class A Plan contains provisions that automatically change the terms of any award or accelerates the vesting of any unvested restricted stock unit or stock option upon a change-in-control. However, each of these plans has various provisions that would permit the Board committee responsible for administering such plan to amend, change or terminate the plan and/or the terms of the awards made under the plan or otherwise provide for the (i) acceleration of vesting of restricted stock units, (ii) acceleration of vesting of stock options and/or (iii) conversion of restricted stock units to stock. Because the HRCC (which administers each of these plans) has this power and may, in its discretion, choose to exercise such power in connection with a change-in-control or similar event (such as a merger or consolidation in which the Company is not the surviving entity or the acquisition of the Company’s Common Stock by a single person or group), the Company has presented information in the table on page 32 below regarding potential pay-outs to the Named Executive Officers upon a change-in-control based on the assumption that the HRCC would use its authority to accelerate vesting of restricted stock units and stock options and convert restricted stock units to shares under these plans effective upon a change-in-control of the Company.

MSPP Plan

As described in “Compensation Discussion and Analysis-Other Equity-Based Incentives” above, eligible members of senior management, including the Named Executive Officers, may defer receipt of all or a portion of their annual cash bonus payments, received under the MIP or EPIP, through the purchase of RSUs under the MSPP. The following table describes the payment provisions for RSUs under the terms of the MSPP upon a termination of employment of an executive participating in the MSPP.

| Status of RSU | Voluntary Termination or Termination for Cause | Involuntary Termination | Normal Retirement ⁽¹⁾ | Death or Disability |
|---------------|---|---|---|---|
| Vested RSUs | RSUs convert into stock. | RSUs convert into stock. | RSUs convert into stock. | RSUs convert into stock. |
| Unvested RSUs | RSUs are forfeited and participant receives cash equal to the lesser of the fair market value of the underlying stock or the purchase price of the unvested RSUs. | RSUs are forfeited and participant receives a partial payment in stock and cash. The amount of stock is equal to a percentage of RSUs, with the number of full years of employment since purchase as the numerator and 3 as the denominator, and the remainder is paid in cash at the lesser of the purchase price of the unvested RSUs or the fair market value of the number of shares underlying the unvested RSUs on the date of termination. | Vesting is accelerated and RSUs convert into stock. | Vesting is accelerated and RSUs convert into stock. |

- (1) Under the terms of the MSPP, for all RSUs purchased prior to September 21, 2011, the definition of normal retirement is age 55 or older and for all RSUs purchased after September 21, 2011, the definition of normal retirement is age 55 or older plus 10 years of employment.

As described in “Compensation Discussion and Analysis-Options to Purchase Common Stock and Restricted Stock Units” above, the Company has granted to its Named Executive Officers, with the exception of Mr. Robinson who has received only stock options, a combination of stock options and restricted stock units as part of its long-term compensation program.

The following table illustrates the payment provisions upon a termination of employment for stock options and restricted stock units under the 2001 Plan and the 2011 Plan in effect at May 31, 2016.

The following table illustrates the payment provisions upon a termination of employment for stock options under the Class A Plan.

| Type of equity | Voluntary Termination or Termination for Cause | Involuntary Termination | Normal Retirement | Death or Disability |

| Non-qualified stock options | Unvested options are forfeited. Participant has 90 days to exercise vested options. | Unvested options are forfeited. Participant or his estate has one year to exercise vested options. |

The table below shows the aggregate amount of potential payments that each Named Executive Officer (or his or her beneficiary or estate) would have been entitled to receive if his or her employment had terminated, or, as noted under “Change-in-control” above, is assumed to receive if a change-in-control had occurred, on May 31, 2016 under the MSPP, the 2001 Plan, the 2011 Plan and, in the case of a portion of Mr. Robinson’s outstanding stock options, the Class A Plan. The amounts shown assume that termination or the change-in-control was effective as of May 31, 2016, and include amounts earned through such time and estimates of the amounts which could otherwise have been paid out to the Named Executive Officers at that time. The actual amounts which would be paid out can only be determined at the time of each Named Executive Officer’s separation from the Company or at the time of a change-in-control. Annual bonuses are discretionary and are therefore omitted from the table, except in the case of Ms. O’Connell. As previously indicated, the calculations also do not include plan balances under the Retirement Plan applicable to the Named Executive Officers, which are provided in the Pension Benefits table above.

⁽¹⁾ All amounts represent the payout of the restricted stock units held under the MSPP based on the closing price of the Company's Common Stock on May 31, 2016 of \$39.05 per share. Under the terms of the MSPP, all unvested restricted stock units become vested upon retirement or death/disability or, as noted under "Change-in-control" above, are assumed to become vested upon a change-in-control and the numbers in those columns represent the payout of the restricted stock units as if such were fully vested. In the case of termination for cause and voluntary termination, the value is the sum of the closing price of \$39.05 per share multiplied by the vested restricted stock units and, for the unvested restricted stock units, the lower of the sum of the purchase price of the unvested restricted stock units or the closing price of \$39.05 multiplied by the number of unvested restricted stock units. In the case of involuntary termination, the value is the sum of the vested restricted stock units and a portion of the unvested restricted stock units (based upon the number of full years since purchase divided by three) multiplied by the closing price of \$39.05 and the lesser of purchase price of the remaining unvested restricted stock units or the fair market value of the underlying shares on the date of termination. For all restricted stock units purchased prior to September 21, 2011, retirement is defined as age 55 or older and for all restricted stock units purchased after September 21, 2011, retirement is defined as age 55 or older plus 10 years of employment.

- (2) Under the terms of the 2001 Plan, the 2011 Plan and the Class A Plan, in the event of a merger or consolidation or other change-in-control, the HRCC has the ability to accelerate the vesting of unvested stock options. Accordingly, as noted under “Change-in-control” above, the table above assumes immediate vesting of all outstanding options. Also, in the event of the Named Executive Officer’s death/disability, the vesting of unvested options is accelerated.
- (3) All amounts represent the payout of the restricted stock units held under the 2001 Plan based on the closing price of the Company’s Common Stock on May 31, 2016 of \$39.05 per share. Only Ms. Newman currently has outstanding stock units under the 2001 Plan, which are vested and payment on which has been deferred.
- (4) All amounts represent the payout of the restricted stock units held under the 2011 Plan based on the closing price of the Company’s Common Stock on May 31, 2016 of \$39.05 per share. Under the terms of the 2011 Plan, all unvested restricted stock units become vested upon retirement or death/disability or, as noted under “Change-in-control”, are assumed to become vested upon a change-in-control and the numbers in those columns represent the payout of the restricted stock units as if such were fully vested. Also, under the terms of the 2011 Plan, all unvested restricted stock units are forfeited in the case of a termination for cause or as a result of involuntary termination.
- (5) As described below, on September 26, 2013, the Company entered into an agreement with respect to severance in the event of Ms. O’Connell’s termination of employment under certain circumstances. Under that agreement, as further discussed herein, all outstanding equity awards become immediately vested in the case of involuntary termination or termination for Good Reason by Ms. O’Connell. In addition, Ms. O’Connell is entitled to: (i) a lump sum cash payment equal to thirty three (33) times her monthly base salary, (ii) any bonus (if earned) relating to a fiscal year which was completed before the effectiveness of such termination, (iii) an amount equal to Ms. O’Connell’s target bonus for the fiscal year in which a termination occurs, pro-rated (based upon a percentage defined by a fraction, the numerator of which is the number of full months during the fiscal year prior to the date of effectiveness of her termination, and the denominator of which is twelve), provided that the Company’s performance criteria for the fiscal year are met on a pro forma basis, and (iv) an amount equal to the cost to purchase continuing medical benefits for Ms. O’Connell and her family for a one year period under the federal COBRA law. The amount in the column headed “Involuntary (Not for Cause) Termination” covers both an involuntary termination (not for Cause) and a voluntary termination for Good Reason and includes thirty three months’ pay, the amount of the actual bonus for fiscal 2016 and the cobra payment amounts.
- (6) See “Change of Control Arrangements for Certain Class A Stockholders” for a discussion of certain rights of first refusal with respect to shares of Class A Stock in the event of a change-in-control.

Severance Agreement with Executive Officer

On September 26, 2013, the Company entered into a severance agreement with Maureen O’Connell, Executive Vice President, Chief Administrative Officer and Chief Financial Officer of the Company (the “Severance Agreement”).

Under the terms of the Severance Agreement, Ms. O’Connell would be eligible to receive certain severance benefits in the event that she is terminated by the Company without Cause or if she voluntarily terminates her employment with the Company for Good Reason within a defined period after the occurrence of a Good Reason event. “Good Reason” is defined as: (i) a material diminution of Ms. O’Connell’s executive titles or responsibilities and/or certain changes in reporting lines, (ii) a material reduction in salary, bonus or benefits (not being contemporaneously applied to all of the other senior executives at her level) or (iii) a material change in the geographic location of her employment. “Cause” is defined as: (i) conviction for certain crimes, (ii) gross negligence or willful malfeasance in the performance of her duties or (iii) material failure to adhere to the Company’s Code of Ethics, other written policies and procedures or instructions from the Company’s Board of Directors or Chief Executive Officer that are within the scope of Ms. O’Connell’s duties. In certain of these instances, a notice and

cure period applies to either the Company or Ms. O’Connell. The severance benefits to which Ms. O’Connell would be entitled following such any such termination include: (i) a lump sum cash payment equal to thirty three (33) times her monthly base salary, (ii) any bonus (if earned) relating to a fiscal year which was completed before the effectiveness of such termination, (iii) an amount equal to Ms. O’Connell’s target bonus for the fiscal year in which a termination occurs, pro-rated (based upon a percentage defined by a fraction, the numerator of which is the number of full months during the fiscal year prior to the date of effectiveness of her termination, and the denominator of which is twelve), provided that the Company’s performance criteria for the fiscal year are met on a pro forma basis, and (iv) an amount equal to the cost to purchase continuing medical benefits for Ms. O’Connell and her family for a one year period under the federal COBRA law. The total amount of payments that would be owed to Ms. O’Connell had her employment been terminated on May 31, 2016 are reflected in the “Potential Payments upon Termination or Change-In-Control” chart under the column headed “Involuntary (Not for Cause) Termination.”

In addition, following any involuntary termination without Cause or a voluntary termination by her for Good Reason, all of Ms. O’Connell’s then unvested equity awards issued to her under the Company’s equity plans would immediately vest without further restriction and Ms. O’Connell would be entitled to exercise any stock options then held by her for a period of ninety days or any such longer period as may be provided in the applicable stock option plan or award agreement.

Ms. O’Connell would be entitled to receive her lump sum cash severance payment not later than the 30th business day following the termination of her employment, provided she has executed a general release of claims in favor of the Company and any revocation period to which she is entitled by law in respect of such release has expired before the end of such 30-day period.

If the sum of any payments owed to Ms. O’Connell as a result of an involuntary termination without Cause or a voluntary termination by her for Good Reason following a change of control of the Company would constitute an “excess parachute payment” (as defined in Section 280G of the Internal Revenue Code of 1986, as amended), then such payments or other benefit due to Ms. O’Connell will be reduced to the amount that is \$1.00 less than the smallest sum that would subject Ms. O’Connell to an excise tax under Section 4999 of the Internal Revenue Code. The Severance Agreement also provides that it is intended that all payments and benefits under the Severance Agreement will comply with Section 409A of the Internal Revenue Code and the regulations thereunder.

The Severance Agreement contains non-solicitation, non-disclosure and non-disparagement covenants. The non-solicitation covenant continues for a period of twelve months after a termination of Ms. O’Connell’s employment with the Company covered by the Severance Agreement.

Transaction with Executive Officer

During fiscal 2014, the Audit Committee reviewed and approved a transaction whereby the Company's Trade group and Egg in the Hole Productions LLC, which is wholly-owned by Judith Newman, a Named Executive Officer, would enter into a publishing agreement for the publication of certain children's books by the Company. Under the arrangement, an aggregate amount of \$80,000 was payable to Egg in the Hole Productions as advances against delivery of the manuscripts for the first four books in a projected children's book series, of which \$70,000 has been paid to date. During fiscal 2015, the arrangement was extended to cover an additional series of two books, with an advance against delivery of \$30,000, all of which has been paid to date. The transaction, including the advance and royalty structure, is based on normal market rates for a project of this type. However, because of the additional royalties which could be paid, depending upon the success of the books, the approval of the Audit Committee to the proposed publishing project with Ms. Newman was sought and received, since there is the potential for the aggregate amount of the transaction to exceed \$120,000 and Ms. Newman is an executive officer of the Company. Additionally, Ms. Newman, who is the President of Scholastic Book Clubs, would not be involved in any decisions on the part of the Book Clubs group whether to include any of the books produced in the projected series as Book Club offerings.

Stock Ownership Guidelines

The HRCC adopted the Scholastic Corporation Senior Management Stock Ownership Guidelines (the “Stock Ownership Guidelines”) in 2002. The Stock Ownership Guidelines require certain members of senior management, including the Named Executive Officers, to maintain certain specified ownership levels of the Common Stock of the Company, based on a multiple of annual base salary, exclusive of bonuses or other forms of special compensation. The multiple applicable to the Chief Executive Officer is three times annual base salary and the multiple applicable to the other Named Executive Officers is two times annual base salary. The Stock Ownership Guidelines originally provided that, with respect to each person subject to them, they would be phased in over a five year period, which was subsequently extended to six years by the HRCC. For purposes of determining compliance with the Stock Ownership Guidelines, Common Stock includes all Common Stock and securities based on the value of Common Stock acquired through participation in any of the Company’s incentive, retirement or stock purchase plans, but excluding options to purchase Common Stock. At May 31, 2016, four of five of the Named Executive Officers were in compliance with the stock ownership level specified under the Stock Ownership Guidelines with one person at 92% of their target.

MATTERS SUBMITTED TO STOCKHOLDERS

PROPOSAL 1: ELECTION OF DIRECTORS

The Amended and Restated Certificate of Incorporation of the Company provides that the Class A Stockholders, voting as a class, have the right to fix the size of the Board so long as it does not consist of less than three or more than fifteen directors. The current Board consists of nine directors.

At their July 2014 meetings, the Nominating and Governance Committee recommended to the Board and the Board approved amendments to the Corporate Governance Guidelines of the Company addressing director age and tenure. These amendments provide that, in the case of age, a director who has reached age 75 (other than Richard Robinson, for whom there is no retirement age) may not stand for re-election to the Board at the next annual meeting of stockholders, subject to the right of the Board, in its discretion, to nominate or re-nominate a person who has attained age 75 if it believes that, under the circumstances, it is in the Company's best interests. In the case of tenure, while no term limits apply, the Corporate Governance Guidelines provide that tenure, including a continued assessment of the director's independence, will be considered, among other factors, in connection with re-nomination.

At its May and July 2015 meetings, the Nominating and Governance Committee reviewed, among other considerations, the age and tenure of the Board's independent director composition at that time and noted that, of the nine independent directors, four directors had served as directors for more than fifteen years, two of whom were over 75 years of age, and the four independent directors who had served for more than fifteen years at that time voluntarily chose to not stand for re-election at the 2015 Annual Meeting of Stockholders (the "2015 Annual Meeting"). At its July 2015 meeting, the Nominating and Governance Committee also recommended to the Board of Directors, and the Board approved, that the Board be reduced in size from eleven to nine members in order to foster greater Board efficiency and collaboration.

Based on such approval, the Class A Stockholders subsequently executed a unanimous written consent fixing the size of the Board at nine directors, effective as of the 2015 Annual Meeting. At the 2015 Annual Meeting, Andrés Alonso and Katrina Lane were elected as members of the Board of Directors, filling the two vacancies that resulted from the former board members voluntarily not standing for re-election.

On October 30, 2015, Ms. Lane resigned as a member of the Board as result of her joining Amazon.com Inc. ("Amazon") in a senior management position, and the Board accepted her resignation in order to avoid any conflict issues which might arise due to the nature of the respective businesses of the Company and Amazon.

On December 16, 2015, the Board elected David Young as a member of the Board in order to fill the vacancy from Ms. Lane's resignation. Mr. Young is standing for re-election at the Annual Meeting.

At its July 20, 2016 meeting, the Board determined that it was in the best interests of the Company that Andrew Hedden, the Executive Vice President and General Counsel of the

Company, who had recently reached the age of 75, be re-nominated to continue to serve as a director, and, accordingly, Mr. Hedden is standing for re-election at the Annual Meeting.

The Board recommends that Class A Stockholders vote FOR each of the seven nominees for election by such holders. Assuming the presence of a quorum, the affirmative vote of a plurality of the votes cast by the Class A Stockholders present and entitled to vote on this item at the Annual Meeting is required to elect each of the nominees.

The Board recommends that holders of the Common Stock vote FOR each of the two nominees for election by such holders. Assuming the presence of a quorum, the affirmative vote of a plurality of the votes cast by the holders of the Common Stock present and entitled to vote on this item at the Annual Meeting is required to elect each of the nominees.

Board Leadership Structure and Risk Oversight

The Board of Directors has adopted a structure whereby the Chief Executive Officer and principal stockholder of the Company, Mr. Richard Robinson, is the Chairman of the Board. The Board believes that having Mr. Robinson as Chairman provides strong leadership for the Board and critical thinking with respect to the Company’s strategy and performance and helps ensure that shareholder interests are well represented during Board deliberations. The Board considers the Chief Executive Officer’s participation to be important to make information and insight about the Company’s business and its operations directly available to the directors in their deliberations. In the context of this structure, the Board has also approved the formal designation of a Lead Independent Director, as discussed under “Lead Independent Director” below.

The Board believes that risk oversight is the responsibility of the Board as a whole and not of any one of its committees. The Board periodically reviews the processes established by management to identify and manage risks, communicates with management about these processes and receives regular reports from each of its committees concerning, among other

things, risks arising within their areas of responsibility. To facilitate the Board's risk oversight, the Board has delegated certain functions (including the oversight of risks related to these functions) to various Board committees. The Audit Committee generally evaluates the risks related to the Company's financial reporting process and oversees the Company's general risk identification and risk management processes. The Human Resources and Compensation Committee evaluates the risks presented by the Company's compensation programs and takes into account these risks when making compensation decisions. The Nominating and Governance Committee evaluates whether the Board has the requisite core competencies to respond to the risks that the Company faces. The roles and responsibilities of these committees are discussed in more detail below. In September 2015, the Board also established a new committee, the Technology and Data Management Committee, to provide oversight in respect to the risk profile of the Company as it relates to the Company's computer systems and computer software applications, infrastructure and platforms, including the security of systems and information databases, as well as competitive risk, marketplace and financial risk in connection with technology. Additionally, the Technology and Data Management Committee periodically reviews specific systems risk areas, including disaster recovery preparedness, security against data breaches and the identification of breaches, reliability of systems performance and systems obsolescence and the Company's privacy (including the treatment of personally identifiable information (PII) and other customer data), data retention and data protection policies and practices. Although the Board has delegated certain functions to various committees, each of these committees regularly reports to and solicits input from the full Board regarding its activities.

Meetings of the Board and its Committees

Five regular meetings of the Board were held during the 2016 fiscal year. All incumbent directors, with the exception of Dr. Alonso, attended 75% or more of the aggregate of such meetings and of the meetings held during the 2016 fiscal year by all standing committees of the Board of which they were a member. Dr. Alonso's attendance fell below 75% due to firm scheduling commitments which were in place at the time of his election in September 2015 and which conflicted with certain of the scheduled dates for Board and Committee meetings for the balance of fiscal 2016.

The Board currently has six standing committees: Audit; Executive; Human Resources and Compensation; Nominating and Governance; Retirement Plan; and Technology and Data Management. All members of the Audit, Human Resources and Compensation and Nominating and Governance Committees are independent directors, as defined under NASDAQ listing standards. All committee members are appointed by the Board on an annual basis each September. Each committee operates under a written charter establishing its roles and responsibilities, which can be found in the Investor Relations section of the Company's website, investor.scholastic.com, and regularly reports to the Board on its deliberations and actions, which are also submitted to the Board for ratification as appropriate. The duties and responsibilities of all the Board committees are reviewed regularly and are outlined below.

Executive Committee. Richard Robinson (Chairperson), Marianne Caponnetto, John L. Davies and Peter Warwick are the current members of the Executive Committee. In the intervals between meetings of the Board, the Executive Committee is authorized to exercise, with certain exceptions, all of the powers of the Board in the management of the business and affairs of the Company. No meetings of the Executive Committee were held during the fiscal year ended May 31, 2016.

Audit Committee. James W. Barge (Chairperson), John L. Davies and Peter Warwick are the current members of the Audit Committee. Each member of the Audit Committee is independent, as defined under NASDAQ listing standards and applicable SEC regulations. The Board has determined that all of the current Audit Committee members are “financially literate,” as defined under NASDAQ listing standards, and that Mr. Barge qualifies as a designated financial expert based upon his business and professional experience as described previously in this proxy statement. The Audit Committee reviews the corporate accounting and financial reporting practices of the Company, including its disclosure and internal controls, and the quality and integrity of the financial reports of the Company, including a review of the Company’s Quarterly Reports on Form 10-Q and Annual Report on Form 10-K. The Audit Committee also appoints the Company’s independent auditors and pre-approves any non-audit services to be provided by such auditors, as further described in this proxy statement under “Independent Registered Public Accountants.” The Audit Committee discusses with the Company’s internal and independent auditors the overall scope and plans for their respective audits and meets with both the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company’s disclosure and internal controls and the overall quality of the Company’s financial reporting. The Company fully outsources its internal audit function to one of the big four accounting firms that is not its independent auditor, which now provides the Company’s internal audit team and reports directly to the Audit Committee. The Audit Committee periodically reviews and approves all “related party transactions,” as defined in SEC regulations. The Audit Committee held four meetings during the fiscal year ended May 31, 2016.

Human Resources and Compensation Committee. John L. Davies (Chairperson), Peter Warwick, Margaret Williams and David J. Young are the current members of the Human Resources and Compensation Committee. Each member of the Human Resources and Compensation Committee (“HRCC”) is independent, as defined under the current applicable NASDAQ listing standards, and also meets certain additional criteria so that the Company qualifies for available exemptions pursuant to Section 162(m) of the Code and Rule 16b-3 under the Exchange Act. For a description of the duties and responsibilities of this committee, see “Corporate Governance-HRCC Procedures” below. The HRCC held five meetings during the fiscal year ended May 31, 2016.

Nominating and Governance Committee. Margaret Williams (Chairperson), Andrés Alonso and James W. Barge are the current members of the Nominating and Governance Committee. Each member of the Nominating and Governance Committee is independent, as defined under NASDAQ listing standards. The Nominating and Governance Committee identifies and recommends to the Board candidates for election as directors and recommends any changes it believes desirable in the size and composition of the Board as well as Board committee structure and membership. The Nominating and Governance Committee also

administers Scholastic’s Corporate Governance Guidelines (the “Guidelines”), reviews performance under, and compliance with, the Guidelines and the content of the Guidelines annually and, when appropriate, recommends updates and revisions of the Guidelines to the Board. In addition, the Nominating and Governance Committee oversees the Board self-assessment process. The Nominating and Governance Committee held three meetings during the fiscal year ended May 31, 2016.

Retirement Plan Committee. Peter Warwick (Chairperson), Marianne Caponnetto and Andrew S. Hedden are the current members of the Retirement Plan Committee. The Retirement Plan Committee acts on behalf of the Board in its capacity as settlor of the trusts underlying the Retirement Plan and the 401(k) Plan (collectively, the “Plans”) and with respect to the powers enumerated therein, including the power to amend or terminate the Plans. The Retirement Plan Committee also oversees the Administrative Committee, comprised of Company employees who are responsible for the day-to-day administration of the Plans, and approves the appointment of one or more trustees, or other professionals, necessary for the proper administration and operation of the Plans. Furthermore, the Retirement Plan Committee oversees the policies and practices related to the Plans and evaluates the Company’s overall retirement benefit plan philosophy, in terms of the Company and competitively within the publishing industry, as well as the investment performance under the Plans. The Retirement Plan Committee held two meetings during the fiscal year ended May 31, 2016.

Technology and Data Management Committee. Marianne Caponnetto (Chairperson), Andrés Alonso, James W. Barge and David Young are the current members of the Technology and Data Management Committee. The Technology and Data Management Committee was established in September 2015, and its primary objectives are: (i) as more fully described under “Board Leadership Structure and Risk Oversight” above, to provide assistance to the Board in fulfilling its oversight responsibilities with respect to monitoring the risk profile of the Company as it relates to the Company’s computer systems and software applications, including cyber security, and reporting its observations to the full Board; (ii) to provide oversight and guidance in respect to the Company’s information databases and the uses of such data by the Company’s operating businesses in the business activities of the Company; and (iii) to provide guidance in respect to the Company’s product development process, including design and relevant technologies, with the objectives of enhancing the customer experience and driving customer satisfaction and the Company’s business success. The Technology and Data Management Committee held three meetings during the fiscal year ended May 31, 2016.

Corporate Governance

As part of the Company’s corporate governance practices, the Board has adopted the Scholastic Corporation Corporate Governance Guidelines, as amended, which are summarized below. The full text of the Company’s Corporate Governance Guidelines is available in the Investor Relations section of the Company’s website, investor.scholastic.com. Stockholders may also obtain a written copy of the Guidelines at no cost by writing to the Company at Scholastic Corporation, 557 Broadway, New York, NY 10012, Attention: Corporate Secretary. In addition to the Guidelines, the Board believes that the Scholastic Code of Ethics and the Code of Ethics for Senior Financial Officers, described below, as well as the Committee charters, which have all been approved by the Board, are vital to securing the confidence of the Company’s stockholders, customers, employees, governmental authorities and the investment community.

Independent Directors. Scholastic's Corporate Governance Guidelines require a majority of independent directors and, as amended at the July 2015 meeting of the Board, provide for a board of nine to fifteen directors. The Nominating and Governance Committee is responsible for reviewing with the Board annually the appropriate criteria and standards for determining director independence consistent with applicable legal requirements, including NASDAQ listing standards and the federal securities laws. The Board has determined that all persons who served on the Board in fiscal 2016, other than Mr. Robinson and Mr. Hedden, who are executive officers of the Company, are or were independent, as defined in the NASDAQ listing standards.

Lead Independent Director. In May 2010, the Board of Directors amended the Company's Corporate Governance Guidelines to formally provide for a Lead Independent Director and Augustus Oliver was appointed Lead Director at that time. As a result of Mr. Oliver not standing for re-election at the 2015 Annual Meeting, the independent directors appointed Mr. Barge as the new Lead Independent Director to succeed Mr. Oliver following the 2015 Annual Meeting. As described in the Company's Corporate Governance Guidelines, the Lead Independent Director presides at executive sessions of the Board involving only the independent directors and serves as the liaison between the Chairman and Chief Executive Officer and the independent directors (unless the matter under consideration is within the jurisdiction of one of the Board's committees). Among other matters, the independent directors, meeting in executive session, consider items they would like included in future Board agendas, the flow of information to directors, relevant Board corporate governance matters and any other topics or issues which any of the independent directors desires to raise in executive session. The Lead Independent Director is responsible for advising the Chairman and Chief Executive Officer of decisions reached or suggestions made at executive sessions.

Communication with the Board. Individuals may submit communications to the Board, or to the non-management directors individually or as a group, by sending the communications in writing to the attention of the Corporate Secretary of the Company at Scholastic Corporation, 557 Broadway, New York, NY 10012. All communications that relate to matters that are within the scope of responsibilities of the Board and its committees will be forwarded to the appropriate directors by the Corporate Secretary.

Director Nomination Process. The Nominating and Governance Committee periodically reviews with the Board the requisite skills, competencies and characteristics of new directors, as well as the composition of the Board as a whole. The Nominating and Governance Committee makes an assessment of the suitability of candidates for election to the Board, taking into account diversity, independence, character, judgment and relevant business experience, as well as their appreciation of the Company's mission, values and credo. In particular, the Board focuses on identifying the potential contribution any candidate can make to the diversity of backgrounds, experience and competencies which it desires to have represented on the Board.

The Nominating and Governance Committee does not believe it is currently necessary or appropriate to adopt specific, minimum objective criteria for new director nominees. Stockholders may propose nominees for Board membership for consideration by the Nominating and Governance Committee by submitting the nominee's name, biographical data and qualifications along with the consent of the proposed nominee to the Nominating and Governance Committee, Attention: Corporate Secretary at Scholastic Corporation, 557 Broadway, New York, NY 10012. Stockholders who wish to nominate candidates for election to

the Board at the next annual meeting of stockholders must adhere to the dates and follow the procedures outlined in “Stockholder Proposals for 2017 Annual Meeting” set forth below. The Nominating and Governance Committee will consider all director candidates properly submitted by stockholders in accordance with the Company’s Bylaws and Corporate Governance Guidelines using the same criteria that it uses to select directors for non-stockholder nominees. The Nominating and Governance Committee also considers such other relevant factors as it deems appropriate, including the balance of independent and non-independent directors, the need for Audit Committee or other relevant expertise, and the qualifications of other potential nominees. Although there is no specific policy regarding diversity, the Nominating and Governance Committee seeks to achieve diversification in the qualifications of nominees, such as different types of business or academic experience or expertise in different industries, professions and geographic areas.

Use of Executive Search Firms. From time to time, the Company has retained the services of executive search firms to assist it in identifying possible candidates for nomination for election to the Board and retained Egon Zehnder during fiscal 2015 to assist in identifying suitable candidates for consideration, following engagement of Egon Zehnder in fiscal 2014 to conduct a Board composition review to consider, among other things, whether there were additional competencies that should be represented on the Board. As part of its engagement during fiscal 2015, Egon Zehnder identified Ms. Lane as a nominee for election as a director at the 2015 Annual Meeting and also assisted in the recruitment process relating to the nomination of Dr. Alonso as a nominee for election as a director at the 2015 Annual Meeting and for Mr. Young to replace Ms. Lane as a member of the Board.

Policy regarding Age and Tenure. In July 2014, the Nominating and Governance Committee recommended to the Board and the Board approved amendments to the Corporate Governance Guidelines addressing director age and tenure. The amendments provide, in the case of age, for a retirement age of 75 and that a director who has reached age 75 (other than Richard Robinson, for whom there is no retirement age) may not stand for re-election to the Board at the next annual meeting of stockholders following such director reaching age 75, subject to the right of the Board, in its discretion, to nominate or re-nominate a person who has attained age 75 for election if it believes, that under the circumstances, it is in the Company’s best interests, and (ii) in the case of tenure, while no term limits shall apply, a director’s tenure as a member of the Board of Directors, including continued assessment of the director’s independence, will be considered, among other factors, in connection with re-nomination.

Board Meetings and Executive Sessions. Directors are expected to expend sufficient time, energy and attention to assure diligent performance of their responsibilities. Directors are expected to attend meetings of the Board and the committees on which they serve, whether in person or by telephone. Management provides all directors with an agenda and appropriate written materials in advance of each meeting. To ensure active and effective participation, directors are expected to arrive at each Board and committee meeting having reviewed the materials for the meeting. As previously discussed, the Board regularly meets in executive session with only the independent directors present, and Mr. Barge presides over those sessions as Lead Independent Director.

Director Attendance at Company Annual Meetings. Directors are encouraged to attend the Company's annual meetings of stockholders and, in the ten years prior to the 2015 Annual Meeting, all of the director were present at the annual meetings of stockholders in seven of those years with two individual absences in one of the years and one individual absence in the other two years due to individual commitments. However, in the case of the 2015 Annual Meeting, none of the Company's directors, other than Mr. Robinson and Mr. Hedden, attended due to the significant changes in the Board composition and the scheduling difficulties resulting therefrom.

Annual Self-Assessment. The Board generally makes an annual self-assessment of its performance with a particular focus on key metrics related to Board performance and overall effectiveness. The Nominating and Governance Committee is responsible for overseeing the self-assessment process. Due to the significant change in the Board composition as a result of the 2015 Annual Meeting, the annual self-assessment was not conducted in fiscal 2016; however, it will resume for fiscal 2017.

Access to Management and Advisors. Directors have access to the Company's management and, in addition, are encouraged to visit the Company's facilities. As necessary and appropriate, the Board and its committees may retain outside legal, financial or other advisors.

Investment Expectations of Directors. Directors are encouraged to own Company stock in an amount that is appropriate for them, although the Company does not have any formal equity ownership requirements for members of the Board of Directors.

Scholastic Code of Ethics and Code of Ethics for Senior Financial Officers. The Company has implemented a Code of Ethics applicable to its employees and directors generally and a Code of Ethics for Senior Financial Officers. The Scholastic Code of Ethics operates as a tool to help Scholastic's employees and directors understand and adhere to high ethical standards required for employment by, or association with, the Company. The Scholastic Code of Ethics contains procedures for employees to report to the Audit Committee any concerns with regard to any questionable accounting, internal control or auditing matters. The Code of Ethics for Senior Financial Officers provides fundamental ethical principles to which the Company's Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer and Controller are expected to adhere. Both the Scholastic Code of Ethics and the Code of Ethics for Senior Financial Officers are available in the Investor Relations section of the Company's website, investor.scholastic.com. Additionally, these documents are available in print to any stockholder requesting a copy.

HRCC Procedures. Under its charter, the HRCC is required to meet at least three times per year. In practice the HRCC has been meeting on at least a quarterly basis to deal generally with compensation matters, including reviewing regulatory developments that may impact the Company's compensation arrangements and considering amendments or modifications to compensation and benefit plans. At its regular meeting in July of each year, the HRCC reviews the Company's financial and operating results for the most recent fiscal year and determines whether the relevant performance criteria required for the payment to the Named Executive Officers of annual bonuses under the EPIP for such year have been satisfied and, if so, considers and approves the actual amounts of any such payouts. Also, at that meeting the HRCC customarily determines the participants in the EPIP and establishes performance criteria for annual bonuses to be awarded under the MIP and EPIP for the current fiscal year. At its regular

meeting in September, the HRCC customarily considers and approves any changes in base salary of senior executive officers, including the Named Executive Officers.

Under the Company's current practice, equity-based compensation awards under the Company's stock incentive plans are typically made each year at the scheduled September meeting of the HRCC, which occurs shortly before the announcement of the Company's earnings for its first fiscal quarter. Except in limited circumstances, the HRCC does not generally grant equity awards to Named Executive Officers at other times during a given year and, in such cases, the grants would normally be made by the HRCC at one of its other regularly scheduled meetings.

All equity awards are made at fair market value on the date of grant, which is no earlier than the date on which the HRCC approves the grant. Under the 2001 Plan and the 2011 Plan, fair market value is deemed to be the average of the high and low market prices of the Common Stock on the date of grant.

The HRCC annually reviews the performance of the Company's Chief Executive Officer and recommends his compensation for review and revision or approval by the Board. The compensation of the executive officers who report directly to the Chief Executive Officer is recommended by him to the HRCC, which reviews and revises or approves the recommendations as the HRCC deems appropriate. The forgoing practices are conducted with the assistance of the Company's Human Resources Department and, as requested, input from the compensation consultant, Pay Governance LLC, retained by the HRCC.

The HRCC has the authority and discretion to retain such external compensation consultants as it deems appropriate. The HRCC looks to its consultants to periodically review and advise the HRCC regarding the adequacy and appropriateness of the Company's overall executive compensation plans, programs and practices and, from time to time, to answer specific questions raised by the HRCC or management. Compensation decisions are made by, and are the responsibility of, the HRCC and the Board and may reflect factors and considerations other than the information and recommendations provided by the HRCC's consultants.

In fiscal 2014, the HRCC adopted certain revisions to its charter required by new NASDAQ rules issued pursuant to the Dodd-Frank Act which, among other things, set forth enhanced independence standards for compensation committee members and certain committee responsibilities and authority, including the requirement that compensation committees consider the independence of persons retained by such committees to provide advice to the committee. In adopting the revised charter, the HRCC reviewed certain factors relevant to considering the independence of the compensation consultant currently retained by the HRCC, Pay Governance LLC. After consideration of these independence factors and review of their application to Pay Governance LLC, the HRCC unanimously determined that Pay Governance LLC qualified as an "independent" compensation consultant and approved the continued retention of Pay Governance LLC as the HRCC's independent compensation consultant. Pay Governance LLC performs no services for the Company other than to the HRCC in relation to compensation matters.

Procedures for Approval of Related Person Transactions. The Company does not generally engage in transactions in which its executive officers or directors, any of their immediate family members or any of its 5% stockholders have a material interest, with the exception of legal fees paid to Baker & McKenzie LLP, a law firm of which Andrew S. Hedden, a director and executive officer of the Company, was a partner prior to joining the Company. The use of Baker & McKenzie for legal services is periodically presented to the Audit Committee for its consideration and approval. In fiscal 2014, Audit Committee reviewed and approved a transaction with a company owned by a Named Executive Officer, Judith Newman, which is described in “Transactions with Executive Officer” on page 35 herein. The Scholastic Code of Ethics, which is posted on investor.scholastic.com, sets forth standards applicable to all employees, officers and directors of the Company and generally prohibits, unless disclosed and approved, transactions that could otherwise result in a conflict of interest. Any waiver of the Scholastic Code of Ethics for any executive officer or director of the Company requires the approval of the Audit Committee. Any such waiver would be disclosed on the Company’s website, investor.scholastic.com, and on a Current Report on Form 8-K filed with the SEC.

Director Compensation

During the 2016 fiscal year, each non-employee director of the Company (an “Outside Director”) was paid a cash annual retainer at the rate of \$75,000 for his or her services as a director, including service on Board committees, and an annual fee at the rate of \$5,000 if he or she was the chairperson of a standing committee of the Board, or \$15,000 in the case of each of the chairpersons of the Audit and HRCC Committees. At its May 2016 meeting, the Board, upon the recommendation of the HRCC and its compensation consultant, Pay Governance LLC, increased the annual chairperson fee for the Nominating and Governance Committee to \$10,000 from \$5,000 due to the increased scope of responsibilities for the chairperson of that committee.

In addition, pursuant to the Amended and Restated Scholastic Corporation 2007 Outside Directors Stock Incentive Plan (the “Amended Directors Plan”), which provides for annual equity awards to Outside Directors on the date of each annual meeting of stockholders, the Board, at its July 2015 meeting, determined that, for fiscal 2016, stock options and restricted stock units would be awarded to each Outside Director having a combined value of \$70,000, with 60% of such value to be awarded as restricted stock units and 40% of such value to be awarded as stock options. Under the Amended Directors Plan, the fair value of the stock options was determined based upon the Black-Scholes model of calculating the fair value of a stock option, including the use of the exercise price equal to the fair market value of a share of Common Stock on September 21, 2015, the date of the 2015 Annual Meeting, and the fair value of the restricted stock units was based upon the fair market value of a share of Common Stock on the same date. Pursuant to the terms of the Amended Directors Plan, the stock options and restricted stock units vest on the earlier of the first anniversary of the date of grant or the next annual meeting of stockholders following the date of grant. Accordingly, with regard to the grant of stock options and restricted stock units on September 21, 2015, the entire grant vests on September 21, 2016. The stock options expire on September 21, 2025.

On December 16, 2015, the Board approved an amendment to the Amended Directors Plan to provide that, in the event of an election of an Outside Director between annual meetings of stockholders, the newly elected Outside Director would be awarded a pro-rata portion of the equity grant of stock options and restricted stock units awarded to Outside Directors on the date

of the most recent annual meeting, based on the number of regular Board meetings remaining to be held for the annual period. Accordingly, upon being elected as an Outside Director on December 16, 2015, Mr. Young received 1,464 stock options and 818 restricted stock units and his entire grant vests on September 21, 2016, in accordance with the terms of the Amended Directors Plan. The stock options expire on December 16, 2025.

Under the terms of the Scholastic Corporation Directors' Deferred Compensation Plan, directors are permitted to defer 50% or 100% of their cash retainers and other fees. Deferred amounts accrue interest at a rate equal to the 30-year United States Treasury bill rate and are paid in cash upon the later of termination from Board service or the end of the deferral period, unless paid earlier due to death, disability, change-of-control of the Company or severe financial hardship. None of the Outside Directors currently participate in such plan.

The following table summarizes the total compensation provided by the Company to the Outside Directors for the fiscal year ended May 31, 2016.

⁽²⁾ Represents the aggregate grant date fair value of restricted stock units granted in fiscal 2016 under FASB ASC Topic 718. Assumptions used in determining the FASB ASC Topic 718 values can be found in Note 1 of Notes to Consolidated Financial Statements included in Item 8, "Consolidated Financial Statements and Supplementary Data," in the Annual Report, disregarding estimates of forfeitures related to service-based vesting conditions. Each Outside Director had 964 restricted stock units outstanding as of May 31, 2016, other than Mr. Young who had 818 restricted stock units outstanding, and the fair value of such restricted stock units on the grant date, computed in accordance with FASB ASC Topic 718, was \$43.56 per restricted stock unit, for all Outside Directors, other than for Mr. Young. The difference between the amounts listed above and the \$42,000 (60% of \$70,000) is due to rounding. For Mr. Young, the fair value of such restricted stock units on the grant date, computed in accordance with FASB ASC Topic 718, was \$41.05 per restricted stock unit. Mr. Young received 80% of the annual director grant on December 16, 2015, \$56,000, (80% of \$70,000) and the difference between \$33,600 (60% of \$56,000) and the amount listed for Mr. Young is due to rounding.

- (3) Represents the aggregate grant date fair value of stock options granted in fiscal 2016 under FASB ASC Topic 718. Assumptions used in determining the FASB ASC Topic 718 values can be found in Note 1 of Notes to Consolidated Financial Statements included in Item 8, “Consolidated Financial Statements and Supplementary Data,” in the Annual Report, disregarding estimates of forfeitures related to service-based vesting conditions. For each Outside Director who received an option award during fiscal 2016 other than for Mr. Young, the fair value of such award on the grant date, computed in accordance with FASB ASC Topic 718, was \$16.29 per option. For Mr. Young, the fair value of such award on the grant date, computed in accordance with FASB ASC Topic 718, was \$15.31 per option. The difference between the amounts listed above and the \$28,000 (40% of \$70,000) is due to rounding and for Mr. Young the difference between \$22,400 (40% of \$56,000) of his award is due to rounding. At May 31, 2016, Dr. Alonso had 1,719 options outstanding, Mr. Barge had 24,790 options outstanding, Ms. Williams and Ms. Caponnetto each had 15,790 options outstanding, Mr. Davies and Mr. Warwick each had 4,027 options outstanding and Mr. Young had 1,464 options outstanding.
- (4) Includes compensation for services for membership on an ad-hoc committee formed in fiscal 2015. Mr. Barge, Ms. Caponnetto and Mr. Oliver each received a \$15,000 payment.
- (5) Dr. Jemison and Messrs. Mayer, Oliver and Spaulding did not stand for re-election at the 2015 Annual Meeting. Ms. Lane was elected to the board at the 2015 Annual Meeting and attended the September Board and Board Committee meetings. She resigned from the Board on October 30, 2015, having received one retainer payment. The compensation in the table reflects compensation paid for the period from June 1, 2015 to September 21, 2015 or, in the case of Ms. Lane, from September 21, 2015 to October 30, 2015.
- (6) On December 16, 2015, Mr. Young was elected to the Board in order to fill the vacancy created by Ms. Lane’s resignation.

In fiscal 2016 and fiscal 2015, in accordance with Section 10A(i) of the Exchange Act, the Audit Committee approved the Audit Fees and also pre-approved all of the Audit-Related services and Tax and Other services provided by EY. The Audit Committee’s non-audit services pre-approval policies require the receipt and analysis of a summary containing a description of the non-audit service proposed to be provided prior to commencement of the engagement. The Audit Committee then makes an evaluation as to whether the provision of the proposed non-audit service by EY will affect its independence and also considers the percentage of non-audit fees related to the total audit fees. If a non-audit service is required before the Audit Committee’s next scheduled meeting, the Audit Committee has delegated to its chair, currently Mr. Barge, the authority to approve such service on its behalf, provided that such action is reported to the Audit Committee at its next meeting.

AUDIT COMMITTEE'S REPORT

The Audit Committee has reviewed and discussed the audited consolidated financial statements of the Company for the fiscal year ended May 31, 2016 with the Company's management. The Audit Committee has discussed with EY, the Company's independent public registered accountants, the matters required to be discussed by Statement on Auditing Standards no. 61, as adopted by the Public Company Accounting Oversight Board, as modified or supplemented.

The Audit Committee has also received the written disclosures and the letter from EY required by Rule 3526 of the Public Company Accounting Oversight Board, and the Audit Committee has discussed the independence of EY with that firm.

Based on the Audit Committee's review and discussions noted above, the Audit Committee unanimously recommended to the Board (and the Board has approved) that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended May 31, 2016 for filing with the SEC.
